

HMI Glass, warrants it's back painted glass for a period of 5 years from the date of delivery against manufacturer defect under normal conditions determined by HMI. Material is to be adhered using Palmer's adhesive that can be purchased through C.R. Laurence company part number is PM201GL if other adhesives are used warranty will be voided. Due to the distinct nature of decorative glass, some slight variations and minor irregularities may occur within the product.

HMI manufactures our Back Painted glass to be resistant to normal wear and tear as determined by HMI and our back painting application may not be suitable for certain applications. In the event the finished back painted panel fails to meet warranty, HMI will review to figure out the cause of the defect related to the warranty. It will be HMI's discretion if we repair or replace the defective panel. HMI will not be responsible for cost of removal, reinstallation or other related costs or taxes regarding the defective piece or pieces.

The warranty for any replacement or repaired finished glass panel will extend for the remainder of the original warranty date. The warranty will not cover; if the panel has been subjected to harsh or improper handling, misuse, abuse, vandalism, accident or want of care; if repairs or alterations have been made or attempted by a person other than installer who purchased product from HMI; to the extent that any damage is caused by any breakage, chipping, cracking or damage to a panel after its delivery. HMI must receive written notification within 48 hours of receipt of the finished glass product prior to install with regard to any defects that exist at the time of receipt.
